Mr. Faultry,

I also did not get a reply to this, although its receipt was at least acknowledged.

My formal concerns here were not addressed at all in the Third Five-Year Review for Arkwood, although I submitted them to Carlos by the deadline he gave me and he acknowledged receipt and promised to consider my formal comments before finalizing the review report (which came out months later).

Curt

Dear Carlos,

As discussed, I am delivering my formal comments and concerns regarding the Draft Third Five-Year Review for the Arkwood, Inc. Superfund Site.

You told me on the telephone Monday that if I had these to you before the end of this week they would be taken into consideration for the final version of the Third Five-Year Review for the Arkwood, Inc. Site

Please acknowledge your receipt of this communication and its two attachments totaling fourteen pages (14pp.) not including this email message.

Thank you.

Sincerely,

Curt Grisham
